FUNDRAISING IDEAS FOR ORANG U FRIENDS

TO WHOM IT MAY CONCERN

Here are some ideas that may help when raising funds for the Orang U Friends program. Your school will be helping the Orangutans

- Cake and ice cream stalls with cakes, slices and biscuits – sell to others at morning tea and lunch time!!
- Casual dress or mufti day – maybe even make it dress up in Orange clothes or orange wigs – coin donation
- Jelly bean guessing competition – how many jelly beans are in the jar???? – gold coin donation
- Creating cards, tea towels or aprons with an orangutan theme using childrens art. Here is a link to a company which provides the tools for custom made tea towels and aprons: http://www.expressions.com.au/home.html. In the examples, there is one with a wombat as the border – this could become orangutans instead: http://www.expressions.com.au/examples/37.html.
- We don’t have any experience with this company but the testimonials are very favourable. There are numerous other organizations providing similar services – some of which you can find at: http://www.fundraisingdirectory.com.au.
- A car washing day
- A sausage sizzle and face painting day
- A Disco or dance – charge a small entrance fee which goes to saving Orangutans.

Hope these ideas help – if you need any more help please don’t hesitate to ask!!!
