Dear Friend of the Orangutan
Re: Renewal Annual Subscriptions

In line with our Constitution, annual memberships expire on 30th June each year. If you have joined BOS Australia since 31st December 2008, you do not need to renew your subscription until July 2010.

We encourage you to become a financial member in BOS Australia in order that you have a voting right at the next AGM to be held late calendar 2009. You will also receive a 10% discount on all BOS merchandise ordered over the phone as well as copies of our newsletter, Grapevine.

This year we have distributed funds to a number of BOS projects including supporting the operating costs of the Nyaru Menteng Rescue and Rehabilitation Centre, home to about 650 orangutans. At Samboja Lestari funds donated by BOS Australia are assisting in improving the welfare not only of the orangutans but also the 52 resident sun bears.

We have welcomed two new babies, Ruthie and Nody, into our adoption program and launched the square metre project whereby supporters can help restore Samboja Lestari into a sustainable community for both people and wildlife. Please visit our website to learn more about these initiatives (www.orangutans.com.au)

MEMBERSHIP RENEWAL

Name: _____

Address: _____

Email: _____

(Please help us save the forests and costs by providing an email address)
