LEAVE A LEGACY

THAT WILL HAVE A LASTING IMPACT
FOR GENERATIONS TO COME

At Borneo Orangutan Survival (BOS) Australia, we raise funds to fulfil our vision – a world where orangutans are free from the threat of extinction and can live in the wild, unharmed by humans.

We do this by helping to fund the rescue, rehabilitation and release of orangutans who are orphaned, injured or displaced, and by protecting wild orangutan habitat, to ensure future generations are able to continue to live in the wild where they belong.

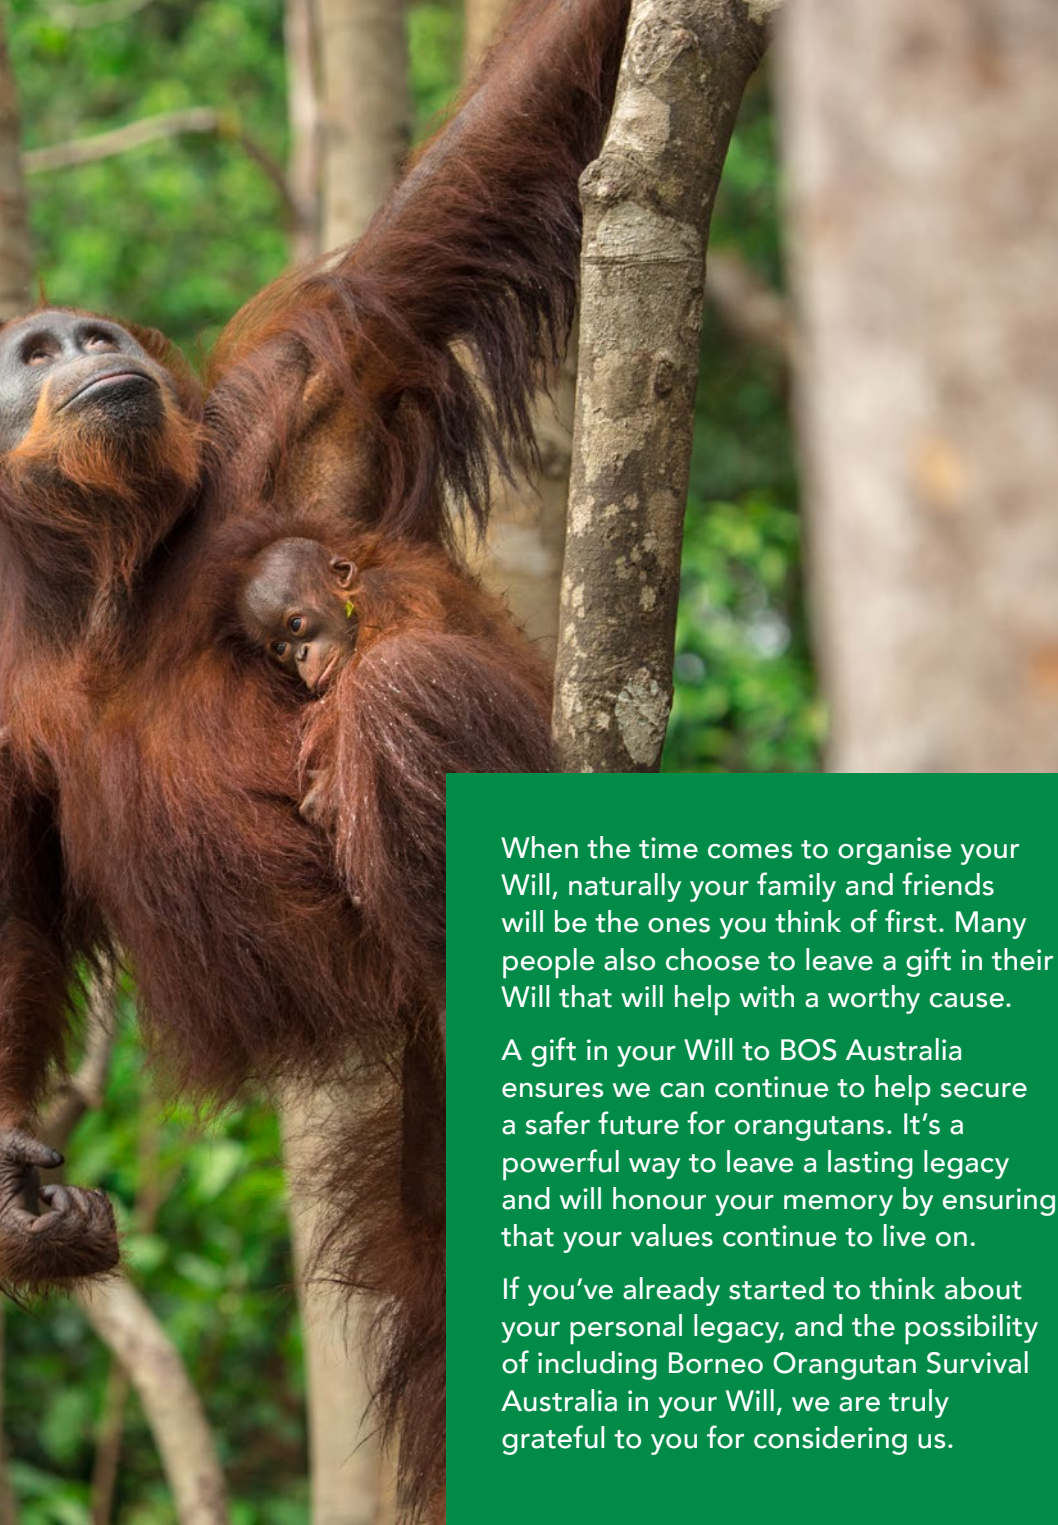

Will you help keep our vision alive by leaving a legacy gift to BOS Australia?

"We can worry that money we leave to a charity will be well spent. However, having spent ten years as President of BOS Australia, I can honestly say that I am confident that any funds left to BOS Australia will be directed for the maximum benefit of our beloved orangutans.

I am personally leaving a good portion of my estate to BOS Australia, and I would not be doing this unless I had faith in the BOS Australia Committee's ability to wisely manage the distribution of funds towards orangutan welfare in a mix of short- and long-term projects with minimum possible overheads."

When the time comes to organise your Will, naturally your family and friends will be the ones you think of first. Many people also choose to leave a gift in their Will that will help with a worthy cause.

A gift in your Will to BOS Australia ensures we can continue to help secure a safer future for orangutans. It's a powerful way to leave a lasting legacy and will honour your memory by ensuring that your values continue to live on.

If you've already started to think about your personal legacy, and the possibility of including Borneo Orangutan Survival Australia in your Will, we are truly grateful to you for considering us.

A gift in your Will can help us continue to;

Rescue orangutans and release them back into the wild where they belong.

Protect over 400,000 hectares of wild orangutan habitat.
